Hi Mary,

I am still waiting for response from our purchasing department about payment for T1 line work. The three data lines I asked about will be install by contractor renovating Morrill 1. But if you can give me an estimate for 1 phone line move from Morrill N224 to N449 and 1 new phone and line in N449, I will get a PO to cover costs. Thank you,

Jim

Hi Jim, I apologize, did I respond to this email? Since our phone upgrade I have been playing catch up and just noticed this email.

Also, did you find out any information on the speedtype for the circuit being installed in Morrill I?

Thanks, Mary

Hi Mary,

What do you need from me to have 2 phones activated in Morrill I room N 449 and 3 data lines installed from Room N245 to N449?
